

Dear skaters, dear coaching teams, dear families, dear guests

The 3rd edition of the Vogellisi's Swiss Cup with Championships and Ice Dance is behind us – three days full of sporting highlights, moving moments and an atmosphere that will stay with us for a long time.

166 skaters from 35 clubs were entered, and 150 finally took to the ice – from recreational categories to seniors, from singles to solo and couple ice dance. Thank you all for your courage, your energy and your passion. Our thanks also go to the coaches and the families for their expert guidance and their loving support.

A big thank you to our 28 officials, who travelled to Adelboden from Switzerland, Germany, the Czech Republic, Italy and Latvia. Your expertise, your precision and the time you devoted to us were decisive for the success of this weekend.

We are especially grateful to our volunteers: for baking cakes, for running the buvette, as announcers and music operators, for looking after the judges, for the award ceremonies and at the reception desk. You gave your free time selflessly – without you, this competition simply would not exist.

Our thanks go equally to the municipality of Adelboden and to Freizeit- und Sportarena Adelboden AG for their hospitality and the excellent conditions, and to Swiss Ice Skating for their support.

The next edition of this competition is already in the calendar: from 26 to 28 November 2027. We would be delighted to see you there!
